

Dear Patient:

Welcome to Oral & Maxillofacial Surgery Center. We are pleased to have you as a patient here and hope that your visit is a pleasant one.

We accept the assignment of insurance benefits as a courtesy to you. We expect payment within a reasonable time (60 days). Should payment be delayed past this reasonable time, the patient is expected to pay the balance in full and seek reimbursement directly from your insurance company.

In consideration of services rendered or to be rendered, the undersigned agrees to pay all cost of collection and/or reasonable attorney fees, should the account be turned over to enforce collection of said charges. The undersigned hereby waives all claims or rights of exemption allowed by the constitution of the State of Mississippi or any other state of the United States. If suit is filed against me regarding a delinquent balance, on my account, I agree to jurisdiction in Lafayette County, Mississippi.

Our policy for our insured patients is we ask them to pay any amount of the total charges on the day of service that insurance won't cover plus any insurance deductible that has not been met. If you have coverage with more than one insurance company, we still ask for at least 20% of the total charges on the day of service. THERE IS NO GUARANTEE OF PAYMENT FROM ANY INSURANCE COMPANY. If we receive an over payment on your account, a refund will be issued to you and/or your insurance company.

WE DO NOT FILE MEDICARE. DR. WHITAKER IS NOT A MEDICARE PROVIDER. When you choose to see Dr. Whitaker, payment is due at the time of service. Also understand that you will not be able to pursue reimbursement from Medicare.

In March of 2020, Dr. Whitaker started accepting Medicaid. This does not include MSCAN, Magnolia, or Molina.

IF YOU DO NOT HAVE INSURANCE COVERAGE, YOUR FEES WILL BE DUE IN FULL ON THE DAY OF SERVICES RENDERED. Financing options are through iCreditWorks and Care Credit if approved.

Please contact our office 48 hours before your appointment if you must cancel or reschedule. If we are not contacted, there could be a charge to your account. This charge will not be covered by any insurance plan. The charges are as follows: \$50 for consultation, and \$200 for surgery. We apologize for this, but we are hoping this will encourage everyone to show or at least call.

Thank you for coming to our office!

Dr. Scott Whitaker and Staff
